Box Tops for Education going Digital

The Box Tops program will be switching over to an app based system later this summer. You can still use your current Box Tops Bonus app to earn extra cash for Parkside. When the new and improved version of the app launches in June, be sure to update your app so you can start scanning your receipts to earn!

Paper Box Tops are still good so please turn in any that have not expired and keep clipping until they are completely phased out!

Volunteers Needed for Summer Garden

Will you be around a week or two this summer and can help maintain the school garden? If so, we'd love to have your family volunteer for a week to water & weed the garden! Plus you get to keep anything ready to harvest!

For more information, contact Stacie Cary via email at stacie@staciecary.com.

Volunteers Must Reapply EVERY Year!

If you plan to volunteer for the 2019-2020 school year, don't forget to update your Raptor volunteer approval via the district website. Volunteers must be reapproved EVERY year as part of the district program to keep our children and campuses safe.
